A Midsummer Night's Dream

TASTING MENU

A restaurant terrace with a view of a coastal town and harbor at dusk. The terrace is covered by a wooden pergola with three large, glowing, woven pendant lights. The tables are set with white tablecloths, white napkins, and glasses. The view shows a harbor with many boats, a town built on a hillside, and mountains in the background under a twilight sky.

*A culinary journey in three acts,
under a sky full of stars.*

Restaurant & Terrace EL CORSARIO

Set within a 10th-century building overlooking the spectacular Ibiza harbor, the restaurant fuses local culinary tradition with contemporary techniques.

The interior design, signed by Lázaro Rosa-Violán, immerses diners in a sophisticated nautical atmosphere, evoking the spirit of corsairs, artists, and travelers who once crossed these seas.

A legendary setting steeped in history and character, where Corsario Restaurant & Terrace offers a truly unique gastronomic experience on the island.
